

2008 Meetings

February— GPS Training conducted by Tammy Mierop, Certified TMN, Mid-Coast Chapter, followed the business meeting at Coletto Creek Park and Reservoir

May—Bill Carr and Jared Laing of The Nature Conservancy presented a day-long program on Coastal Flora found at Mad Island Marsh Preserve.

August—Jim Sinclair, former Mid-Coast member, presented a program on wind farms as a possible alternative energy resource, discussing pros and cons as well as possible wildlife impacts.

November—Stacy Westlake presented a program on Goose Island volunteer opportunities and members pulled invasive Guineagrass from the Big Tree area. Officers were elected for 2009:

- President—Robert Angerstein
- Vice-President—Larry Henneke
- Recording Secretary—Kris Kirkwood
- Treasurer—Frankie Fox

November 2008 Group Volunteer Project

Following the meeting and a picnic lunch at Goose Island State Park, members adjourned to The Big Tree to assist Goose Island by removing invasive Guineagrass from the area.
